Amenities

Amenities

Convenience at Every Turn

Street Plot Demarcation

Plot Demarcation

Sewer Chamber

Rainwater Harvesting

Road Side Plantation

Solar Street Lights

Amenities

Drip Irrigation

A close-up photograph of a green plastic drip irrigation emitter installed in a garden bed. The emitter has a black T-shaped valve and is positioned over dark brown soil. A small amount of water is visible dripping from the tip of the emitter.

Water Tank

A photograph of a large, white, octagonal water storage tank with a brown roof. The tank is situated in a landscaped area with green grass, a low hedge, and trees in the background. A paved path leads towards the tank.

Underground Sewer Pipeline

A close-up photograph of two large, orange-colored pipes laid out on a bed of reddish-brown gravel. The pipes are smooth and appear to be part of an underground sewer system.

Solar Panel

A photograph of a solar panel array installed on a green lawn. The panels are mounted on metal frames and are tilted towards the sun. In the background, there are buildings with domes and a clear sky.

Underground Water Supply Pipeline

A photograph of a blue underground water supply pipeline. The pipe is laid in a trench, and a section of it is bent at a 90-degree angle. The surrounding soil is dark and moist.

Underground Electricity Line

A photograph of several black underground electricity lines. The cables are bundled together and laid out in a trench. They are secured with white ties and are surrounded by dark soil.

Park Amenities

Seating Area

Gazebo

Park Lights

Pergola

Kids Play Area

Open Gym

Garbage Collection Box

Green Spaces,
Happy Faces
