About Us

Happy Realearth LLP is a trusted name in the real estate industry, dedicated to turning dreams into reality by offering premium residential and commercial plots in prime locations. With a strong commitment to quality, transparency, and customer satisfaction, we strive to create not just properties, but lasting relationships built on trust. Our thoughtfully planned projects modern infrastructure, and future-ready developments ensure great value and growth for every investment. At Happy Realearth LLP, we don't just sell land—we help you build your future with confidence and happiness.

OUR JOURNEY

Our journey began in 2016 in Jaipur, Rajasthan, founded by a visionary entrepreneur from Village Kumawas, District Jhunjhunu. Starting with a small team and ambitious vision, we launched our first project in Jaipur. The success of our initial developments helped us expand our operations and establish ourselves as a reliable and customer-focused developer. Over the years, HAPPY GROUP has successfully delivered multiple residential layouts and commercial developments, serving thousands of satisfied customers and investors. Today, the company stands as a growing real estate brand known for quality development, transparent dealings, and long-term value creation.

Vision

Our vision is to become a leading and most trusted name in the plot selling and land development sector by consistently delivering quality projects and building long-term relationships based on trust and ethics.

We aim to transform land into opportunities by making plot ownership simple, secure, and accessible. We envision a future where "HAPPY GROUP" is the first name that comes to mind when people think of investing in plots or owning land in India—symbolizing trust, value, and long-term prosperity.

Mission

To create a trustworthy and growth-driven environment by delivering legally clear, well-planned, and value-rich residential and commercial plots. We are committed to maintaining the highest standards of integrity, transparency, and reliability in every transaction.

Our mission is to help individuals and families secure their future by owning land in prime and developing locations. We strive to provide our customers with safe investments, our employees with financial growth and stability, and our associates with continuous learning and development opportunities.
